The Hot Springs Retreat

A signature day for the guests who don't ski

*30+ mineral pools, 5 summit saunas,
25 guests, 1 full day at a hot springs retreat.*

Not everyone at Skiminar straps in for the mountain, and this experience gives those guests a marquee day of their own. Sponsored guests board a private shuttle at The Hythe and ride an hour down-valley to Iron Mountain Hot Springs, where full-day Premier Access opens 30+ geothermal and world-inspired mineral pools along the Colorado River, the new five-sauna Summit, and riverside café dining.
